1. Now already look forward to this badge, which will be given to each participant as a memory of our meeting.

2. All participants, who will arrive on Saturday only, are going to receive a consumption coupon, since they cannot take part in the craftsman dinner on Friday evening.
3. Registrations: There are not only registrations from European participants. We are also pleased that we will have the possibility to welcome visitors from Asian countries like China and India, too.
4. We are planning to award a prize to some very special participants such as the oldest vehicle, the best preserved car, the visitor with the longest travelling distance, etc. Therefore special miniature beetles made from steel were produced as the photos below show. In addition we have some special prizes which are typical of our region. The award of the prizes will take place, as in the programme described, during the SWR3 Ü30 party. All winners will have free entrance to this evening event!

5. For participants who can participate only one day at our event, there is the opportunity to purchase a day ticket. This costs 15 € including participant badges and round trip. On Friday also including free entry to traditional evening with the folk dance group, on Saturday also including coffee and cake. Please fill out the registration form available on the internet, mark the day you wish to take part in.
